

## Got Questions? Get Answers!

How can I measure vertical reach?

What is the World Bank?

What holidays are celebrated in Japan?

<http://askmontana.org>

When is my library open?

How many nuclear plants are in the U.S.?

What preservatives are harmful?

*Montana librarians online  
find answers anytime!*

**Ask Montana** is Montana's free online chat service where you connect to a librarian and get real-time help with your research needs – day or night, every day of the year!

### Ask Montana is:

- Reliable
- Real time
  - when you need help
- Free
- Fast
- For all Montana residents
- 24/7
- 365 days a year
- Staffed by professional librarians

Your answers are relevant, in context, and from resources available at your library.

Librarians can co-browse Web pages and databases with you to help you find useful information.

Questions can be referred to local and national experts for further follow-up when appropriate.

You receive transcripts of chat sessions in your email for reference.
